Subject: \$ 500 for 10564928

In the process off getting refund a \$ 500.00 check that arrived in October 2006 I took one more shot at attempting to figure what the check was for and bingo.....The customer's last name is Bieri, not Marcel.....the application # the check was for was 10564928.

I have unsuspended the \$ 500.00 in funds and processed a sale using FC 1206 to house the funds against 10564928. I will forward a copy of this e-mail and the attached to IFW to scan to explain why the funds were not applied against the application until now.
